# *Giving Tree & Giving Hearts Collection*

*Celebrating the generosity and uniqueness of  
The Hagedorn Little Village Family*

For the last 13 years, we've been sharing our story of the **Giving Hearts Collection**. Led by **Sue Lasher**, Coordinator of Movement Therapy Services, this effort has helped many of Little Village staff families who have faced difficult times. This unique program is a way for Little Village staff to help each other and extend kindness and generosity to those around us who might be in need during the holiday season. Thank you Sue and all of our generous staff for this awesome demonstration of giving and caring. Through the years, Giving Hearts Collection has helped more than 55 Little Village staff families!

**The Giving Tree** is another way Little Village staff helps families in need. The Giving Tree contains leaves with gift ideas written on each leaf. A staff member takes a leaf, buys a gift which are subsequently donated to our students' families that are in need. In addition to Little Village staff, parents and friends of Little Village also contribute to this great cause.

Thank you to everyone who has participated in these great programs!

## Knitters Club

Thank you to the **Knitters Club** for their generous donation to HLVS! Club member and proud HLVS parent **Megan Grgas** introduced the Knitters Club to us.

The members knitted a collection of amazing items which were then raffled off at the Nassau Country Club's annual holiday boutique. They then donated the proceeds to HLVS.

Thank you!!
