Alumni Student Sophia Assalone Visits Little Village

Alumni student, **Sophia Assalone**, recently visited HLVS. For the past several years, her birthday wish was to visit Little Village but had been unable to do so due to COVID restrictions for visitors. Sophia graduated in 2015, and is now 20 years old. She has an amazing memory and asked to go to certain rooms to see her former teachers and therapists. She remembered every room number and where they were located in the building! She was so excited to see many familiar people.

It was great to spend some time with Sophia and her mom to hear how she is doing in her current placement. Thanks for visiting Sophia!
