Room 21's Community Helpers

The children in **Room 21** learned about community helpers. They got to dress up as firemen and trash collectors and kept the community in Room 21 safe! The students also learned about the solar system! They learned about the earth, the moon, and the many other planets in our solar system! They completed a science experiment to mine Moon Sand and got to explore many different rocks.

Read Across America with Room 221

The children in **Miss Carol** and **Miss Tara's** class celebrated Dr. Seuss' birthday and *Read Across America*. The children enjoyed many of the classic Dr. Seuss books, painted hats like the Cat in the Hat, enjoyed a pattern of strawberries and bananas for snack, and played with oobleck. This is always a fun celebration and the children had a great time!!
