Room 82 Working in the Garden!

Teacher **Katy Marascia** and the children in Room 82 learned about planting this Spring. First the children had to weed the garden and turn the soil. They then planted flower seeds and vegetable plants. The children have been tending to the garden by watering it and pulling any extra weeds that are growing. They have planted cucumbers, tomatoes, peppers, eggplant, zucchini, basil, mint and a variety of flowers. Everyone is looking forward to tasting the harvest!

End of the Year Cake and Bagels

HLVS celebrated another great year with our incredible staff with an end of the year bagel breakfast and cake. Thank you to all who helped to make it another fantastic year for our students!

Thank You MacArthur Baseball Dugout Club!

Little Village was the recipient of a very generous donation from the **MacArthur Baseball Dugout Club**. Thank you to all of the student athletes, coaches and parents for their kind support! And a special thanks to HLVS alumnus dad **Vinnie Causeman** for helping to organize this event!

Room 61 Kicks Off Summer

Teacher **Theresa Luti** and the students Room 61 kicked off summer by celebrating with a luau!! The children loved when their parents came in to celebrate all their hard work and milestones that were achieved this school year! They worked on their fine motor skills by peeling stickers and placing them onto a picture frame, danced and received temporary tattoos!
