Room 59 Friendship Painting

The children in Room 59 explored different mediums to create self portraits and a group painting. The students chose materials to best represent themselves and show what makes them unique! Teacher **Carlyn Cooke** worked together with the students to create a friendship painting to show how all of their unique qualities can form a masterpiece.

Ed Kranepool

Little Village lost a dear friend and supporter when **Ed Kranepool** recently passed away. Ed was a beloved member of the New York “Miracle Mets” when they won the 1969 World Series. Ed was a native New Yorker and a standout player at James Monroe High School in the Bronx. He made his major league debut on Sept. 22, 1962, at 17 years old.

Ed was a Little Village Golden Rule recipient in 2008. He continued as a Little Village supporter attending several Little Village Golf outings. Ed is pictured center below flanked by Little Village founders **Dr. Caryl Bank** (far left) and **Dr. Barbara Feingold** (far right).

We are excited to announce the launch of this year's Giving Tuesday/Holiday Appeal. As a not-for-profit school, we are dedicated to providing the best education possible for our students, but we need your help to take the next step in modernizing our classrooms.

We are raising funds to purchase updated **Smartboards** for our classrooms. These interactive tools provide dynamic, hands-on learning experiences that are critical in today's digital world. Your generous support can help us accomplish this goal, allowing our students to continue to thrive in an interactive and modern learning environment.

Here's how you can help:

- ◆ Donate online
- ◆ Share our campaign with friends, family, and on social media to spread the word.
- ◆ Partner with us through sponsorship or in-kind donations.

Every dollar raised goes directly toward purchasing smartboards for our classrooms, ensuring that our students receive the best tools for success. Your support makes a difference!
