Room 220 Learns About the Post Office

Teacher **Shari Orenstein** and the children in Room 220 have been learning about community helpers. Recently, they focused on mail carriers. They learned the letters are mailed in a mailbox and the mail carrier picks up the mail. It is then sorted at the post office. The children practiced these skills in the classroom.

Room 5 Learns About Winter! Brrr!

Teacher **Tara Fitzpatrick** had so much fun teaching her students in Room 5 all about winter! The children explored winter sports by creating their own mini ski ramps and racing little skiers down the slopes. They also dove into an Arctic sensory activity, using droppers to melt “ice” and discover animals that live in the cold, like polar bears and seals. Through hands-on play, experiments, and lots of excitement, Room 5 learned about animals that live in the Arctic and how people enjoy winter through fun sports and adventure.

Room 12 learned about this year's Winter Olympics in Milan, Italy. Teacher **Dr. Tara Priest** explained how the children enjoyed a cooking class creating an edible Olympic torch! They participated in pretend downhill skiing, figure skating, and speed skating. In gym class, they even tried out curling! They learned about sportsmanship and showed team spirit cheering each other on! USA! USA!

Spirit Week

Enjoy pictures from our Teachers and students celebrating *Sprinkles of Spirit Week*. We celebrated on Monday by first wearing Little Village or blue shirts; followed by New York Knicks day; on Wednesday, we wore wacky or mismatched outfits; celebrated Valentine's Day on Thursday and finally, we celebrated the 100th day of school on Friday. It was a great, wacky and fun week!

Learning About Winter in Room 6pm

As part of Room 6pm's winter theme, our preschoolers explored winter animals and made their very own polar bear snacks using graham crackers, frosting, bananas, and chocolate chips. This hands-on activity brought learning to life while encouraging creativity!

In celebration of Valentine's day, the class also created marble painted hearts using golf balls and paint. The children loved watching the colors swirl and mix together.

Teacher **Sabrina Giacobbe** and the Teacher Assistants in Room 6pm are so proud of our children!
