Lucky Charms Dance

Our HLVS Lucky Charms dance was held on Friday, March 13th at the school.

The students and their special guests had a great time dancing, seeing their friends and having some snacks.

Thank you to HLVS PA Board & Committee Chairpersons: **Li Chang, Breanna Jordan, Amber McKiel, Marissa Cairo** and our Lucky Charms parent committee for volunteering to set up and decorate to make this a special evening for our children.

The Turtle Man Performs for Our Little Villagers!

The Turtle Man Performs for Our Little Villagers!

Room 201 Learns About Science!

Teacher **Ashley Blatus** had so much fun teaching her students in Room 201 all about hands-on science experiments related to different themes.

The children learned how ice cubes can react to colors and how skittles and water can make the skittles “melt” the colors away and turn into a rainbow with different patterns! Everyone had so much fun!

Room 24 Celebrates St. Patrick's Day!

The children in Room 24 had a fun filled St. Patrick's Day! They had a name-filled bowl of Lucky Charms, made a handprint rainbow and counted how much gold they had in their pot of gold! Teacher **Kim Bickard** and the little leprechauns had a great day!

Winter Wonderland!!!

Winter Wonderland!!!

World Autism Awareness Day

Everyone Loves Staff Pretzel Day!!

Room 12 Celebrating Dr. Seuss' Birthday!

Room 81pm Having Fun For St. Patrick's Day

The students in Room 81PM along with Teacher **Tara Bartlett** had a wonderful time celebrating St. Patrick's Day this March! The classroom was filled with festive fun as everyone listened to engaging stories and participated in matching activities centered around the holiday.

The students especially enjoyed getting hands-on with a variety of creative projects. They explored sensory art by finger painting shamrocks and had a blast making their own "pot of gold" treats using brownie bites, yellow icing, and rainbow candy. 

One of the highlights of our celebration was a colorful science-inspired activity. Students created their own rainbows by arranging rainbow sprinkles in a circle and adding warm water to the center of the plate. With patience and excitement, they watched as the colors slowly spread and blended together, forming a beautiful rainbow right before their eyes!

It was a joyful and engaging celebration filled with creativity, exploration, and a little bit of St. Patrick's Day magic!

Recognizing World Down Syndrome Day
